I just asked the reporter to mark a copy of a legal case in one of the series of cases known as Maryland Casualty v. W.R. Grace. It's a decision of the Second Circuit. It is generally referred to as the installation trigger case, and I do not have any questions related to the law or the holding. I'm only marking this as a matter of convenience with respect to some of the factual recitation.

And I direct you to what is considered page four of the exhibit and in the right-hand column, the first full paragraph, the next to the last sentence says: "According to Grace, as of early 1992, it had spent 184.6 million dollars to settle claims or satisfy judgments in property damage asbestos lawsuits and 194 million to defend itself."

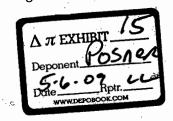

Now, is that statement generally consistent with your recollection of Grace spending large amounts of money to defend

coverage in place agreements that had ongoing obligations for the insurance carriers to reimburse Grace for defense costs. Some of the agreements were I'm going to call buy-outs of the policies in which there was no ongoing obligation.

Q. And when negotiating those agreements, it was the understanding of both parties that Grace was going to vigorously defend itself and probably expend money in defense costs; is that correct?

> MR. HORKOVICH: Objection to form.

- A. Well, yeah. I mean, I think it was the understanding that, you know, Grace would use its best efforts to defend itself as best it could, you know, considering all factors.
- Q. And the next sentence of that paragraph, the last sentence says, "Continental has exhausted the limits of its insurance coverage by paying 117 million dollars in defense costs and 70

NOW, THEREFORE, in consideration of the mutual covenants and subject to the terms and conditions herein contained, Grace and the Party Insurers hereby agree as follows:

### I. DEFINITIONS

- 1.0 Agreement shall mean this settlement agreement entered into by Grace and the Party Insurers.
- 1.1 <u>Grace</u> means W. R. Grace & Co.-Conn. and/or W. R. Grace & Co., their respective predecessors-in-interest and successors-in-interest.
- 1.2 <u>Indemnitor</u> means W. R. Grace & Co. and W. R. Grace & Co. Conn. and their respective successors-in-interest.
- 1.3 <u>Party Insurers</u> means Commercial Union Insurance Company as successor in interest to Employers' Commercial Union Insurance

Company of America and Employers' Commercial Union Insurance Company, and American Employers' Insurance Company and their respective predecessors-in-interest, and successors-in-interest, divisions, subdivisions, departments, subsidiaries, parents, agents, employees, officers, affiliates, assigns and companies or corporations owned, controlled or under common control or ownership with the Party Insurers.

- 1.4 Party and/or Parties shall mean Grace and the Party Insurers.
- 1.5 Policy or Policies means the insurance policies, issued or alleged by Grace to have been issued, to or for the benefit of Grace by the Party Insurers, which policies are listed in Exhibit "A". The Party Insurers represent and warrant that they are unaware of any other contracts of insurance they issued or are alleged to have issued to Grace except those listed in Exhibit "A". Grace represents and warrants that it is unaware of having purchased any comprehensive general liability insurance from the Party Insurers except those policies listed in Exhibit "A". To the extent the World Auxiliary Insurance Corporation could be considered contained within the definition of "Party Insurers", which the Party Insurers specifically deny, Grace's representation and warranty specifically excludes any and all contracts of insurance issued by the World Auxiliary Insurance Corporation.
- 1.6 Aggregate Product Limits means the total aggregate limits of liability contained within the Policies of the Party Insurers for all personal injury claims, bodily injury claims, property damage claims and advertising liability claims included within the "products completed operations hazards" definitions. For

purposes of this Agreement, any claim for occupational disease shall be included within the definition of Aggregate Product Limits.

- 1.7 Bodily Injury Claim Plaintiff means any entity, person, assignee, executor or administrator who has, at any time, threatened, asserted or filed any claim, right, demand, lawsuit, cause of action or proceeding arising out of personal injury, bodily injury, employer's liability or advertising liability involving any entity, person, assignee, executor or administrator who does so in the future.
- 1.8 Building Damage Claim Plaintiff means any entity, person, assignee, executor or administrator who has, at any time, threatened, asserted or filed any claim, right, demand, lawsuit, cause of action or proceeding arising out of alleged property damage or advertising liability involving or relating to asbestos in buildings or any entity, person, assignee, executor or administrator who does so in the future. By agreeing to this term, the Party Insurers seek to resolve their dispute with Grace and do not acknowledge that any Asbestos-Related Claims arising from buildings, other structures or property involve property damage.

affect the right at a later time to enforce the same. No waiver by any Party of any condition, or of any breach of any term, covenant, representation or warranty contained in this Agreement, in any one or more instances, shall be deemed to be or construed as a further or continuing waiver of any such condition or breach, or a waiver of any other condition or of any breach of any other term, covenant or warranty.

- 9.5 The article headings contained in this Agreement are for convenient reference only and shall not in any way affect the meaning or interpretation of this Agreement.
- 9.6 This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument.
- 9.7 This Agreement shall be construed in accordance with the laws of the state of New York. However, nothing contained herein shall be an admission by the Parties of the law or laws applicable to the interpretation of the Policies.

IN WITNESS WHEREOF, this Agreement has been read and signed by the duly authorized officers of the Parties, effective as of the Effective Date.

WHEREAS, W.R. Grace & Co. -- Conn., a Connecticut Corporation is the successor to the named insured under the Policies that owned and operated a chemical company at the Hatco Site;

WHEREAS, Commercial Union denies any obligation to pay under the Policies for the defense of or to indemnify Grace in connection with any Hatco-Related Environmental Claims arising out of the Hatco Site;

WHEREAS, the dispute between Grace and Commercial Union is the subject of a third-party complaint filed by Grace against a number of insurance companies, including Commercial Union in pending litigation entitled Hatco Corp. v. WHEREAS, the Parties to this Agreement believe that it is in their mutual interest to reach a full and final amicable resolution of the rights and obligations of the Parties under the Policies with respect to any and all Hatco-Related Environmental Claims arising out of the Hatco Site, without admission of liability by any Party or any further adjudication of any issue of

fact or law, and to resolve past, present or future disputes relating to Commercial Union's obligations to Grace under the Policies with respect to any and all Hatco-Related Environmental Claims arising out of the Hatco Site.

#### AGREEMENT

NOW THEREFORE, in consideration of the mutual covenants, agreements and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and intending to be legally bound hereby, the Parties agree as follows:

(E) "Effective Date" means the last date any signatory hereto executes this Agreement.

# II. SETTLEMENT AMOUNT TO BE PAID BY COMMERCIAL UNION

3. Commercial Union shall pay to W.R. Grace & Co. -- Conn. the sum of Twelve Million Dollars (\$12,000,000) (the "Settlement Amount"). Payment of the Settlement Amount shall be made by

Commercial Union to W.R. Grace & Co. -- Conn. in the following sums and on the following dates: the sum of Four Million Dollars (\$4,000,000) on January 15, 1997; the sum of Six Million Dollars (\$6,000,000) on January 15, 1998; and the sum of Two Million Dollars (\$2,000,000) on January 15, 1999.

#### III. RELEASES AND RESERVATIONS

Grace hereby fully and forever releases discharges Commercial Union from any and all past, present and future actions, causes of action in law or in equity, suits, debts, liens, contracts, promises, claims, losses, liabilities, obligations, duties and responsibilities, known or unknown, fixed or contingent, direct or indirect, that have been or could have been or might be in the future asserted against Commercial Union with respect to Hatco-Related Environmental Claims arising under any and all of the Policies, from the beginning of time forward to the end of the world, as if the Policies never existed with respect to Hatco-Related Environmental Claims. A complete extinguishment and termination of the Policies with respect to Hatco-Related Environmental Claims, and any and all rights and obligations thereunder with respect to Hatco-Related Environmental Claims is

hereby effected, provided, however, that the aforesaid release and discharge with respect to any claim involving actual, alleged, threatened or potential personal injury (other than damage to real estate released above) or bodily injury that was caused at any time by conduct related to direct exposure to or conditions at the Hatco Site shall be limited to the aggregate sum of Five Million (\$5,000,000), which sum shall have been paid by way of settlement or judgment of said personal injury (other than damage to real estate released above) or bodily injury claims.

- (B) Grace hereby further releases and discharges Commercial Union from any and all claims for compensatory, punitive, exemplary or statutory damages relating to or based upon any allegations of bad faith, unfair claim practice, unfair trade practice or other acts or state of affairs or failure to act in connection with the investigations, handling, adjustment, litigation, defense or settlement of any and all Hatco-Related Environmental Claims arising out of or relating to the Pending Litigation under the Policies.
- (C) Grace expressly assumes the risk that the alleged costs of the Hatco-Related Environmental Claims may be greater than

Grace currently realizes, that the alleged costs may increase in amount or in severity over time and that the costs and/or claims may be progressive, cumulative, unknown and/or unforeseeable, and that there may be hidden, unknown and unknowable damages or costs. Grace nevertheless waives, surrenders, and abandons any rights under the Policies with respect to such costs or liabilities in connection with Hatco-Related Environmental Claims in the Pending Litigation, except as provided in Paragraph 4 (A) herein.

(D) Because it is the intention of the Parties that this Agreement operate as and constitute a full release and extinguishment of the Policies with respect to Hatco-Related Environmental Claims, except as provided in Paragraph 4 (A) herein, Grace expressly waives any and all rights it may have under any statute, code or ordinance which may limit or restrict the effect of a general release as to claims which the releasor does not know or suspect to exist in his favor at the time of the execution of the release.

#### IV. DISMISSAL WITH PREJUDICE

5. Grace will dismiss, with prejudice, and without costs, its prosecution of its claims against Commercial Union in the

Pending Litigation. Grace agrees to file a stipulation of dismissal with prejudice of the third-party complaint against Commercial Union in the Pending Litigation within thirty (30) days of the Effective Date. Grace and Commercial Union shall bear their own past costs and attorneys' fees incurred in connection with the Pending Litigation and the filing of the stipulation of dismissal with prejudice. The Parties further agree that they will bear their respective costs, expenses and fees, including those of their counsel, in connection with the negotiations for and execution of this Agreement.

# V. COVENANT NOT TO SUE

to seek to recover the Settlement Amount paid to Grace made under this Agreement from Hatco Corp. or any other insurance company that wrote insurance coverage for Grace, to the extent that such other parties do not sue or otherwise seek to recover from Commercial Union any monies paid to Grace or expenses incurred by such other parties for Hatco-Related Environmental Claims, provided, however, that said covenant shall not preclude the right of Commercial Union to pursue recovery from its reinsurers, if any, for some or all of the Settlement Amount.

# VI. INDEMNIFICATION, HOLD HARMLESS AND DEFENSE

- 7. (A) From and after the Effective Date, except for W.R. Grace & Co., a New York Corporation, which had changed its name to Fresenius National Medical Care Holdings, Inc., Grace as defined herein shall, at the option of Grace, defend Commercial Union and shall indemnify and hold Commercial Union harmless at the sole expense of Grace from and against any and all liability, loss, costs or expenses, imposed upon Commercial Union as a result of any claims, demands, lawsuits, causes of action or proceedings that are asserted, initiated or continued by any person or entity against Commercial Union and that are based upon the Policies and Hatco-Related Environmental Claims except as otherwise provided in this Paragraph 7. The matters for which Grace is obligated pursuant to this Paragraph 7 to indemnify and hold harmless Commercial Union, or for which Grace has an option to defend Commercial Union, are hereinafter referred to as "Indemnifiable Claims."
- (B) Grace shall have no obligation to indemnify and hold Commercial Union harmless from and against any and all liability as a result of any claims, demands, law suits, causes of action or proceedings that are asserted, initiated or continued by any person

or entity against Commercial Union for personal injury (other than damage to real estate released above) or bodily injury and that are based upon the Policies and Hatco-Related Environmental Claims.

- (C) Grace's obligation to indemnify and hold harmless Commercial Union, or Grace's option to defend Commercial Union, for Indemnifiable Claims with respect to the Policies shall be subject to an aggregate limit equal to the Settlement Amount. Once Grace has paid any liabilities for Indemnifiable Claims of Commercial Union in an amount equal to the Settlement Amount, Grace shall not be obligated to indemnify and hold harmless Commercial Union for further Indemnifiable Claims with respect to the Policies. Grace is under no obligation, under this Agreement or otherwise, to assume the defense of an Indemnifiable Claim.
- (D) (1) After receipt by Commercial Union of notice of any complaint or the commencement or continuation of any action or proceeding with respect to which indemnification is being sought hereunder, Commercial Union shall notify Grace in accordance with Section 18 and as soon as practicable in writing of such complaint or of the commencement or continuation of such action or proceeding and shall thereafter tender the defense thereof to Grace.

- (D) (2) Any failure by Commercial Union to notify Grace of such action or proceeding will relieve Grace from any indemnification obligation with respect thereto.
- (E) After Grace receives any notice pursuant to Section 7(D)(1), Grace shall promptly determine whether it will respond to that notice and assume the defense of Commercial Union named in a complaint or the commencement or continuation of any action.
- (F) (1) If Grace so elects, Grace will assume the defense of such action or proceeding. Grace and Commercial Union shall mutually agree upon a choice of counsel to represent Commercial Union (which may not include counsel presently representing either Grace or Commercial Union), and Grace shall assume the payment of the fees and disbursements of such counsel. Grace will consult with and allow Commercial Union complete control over the positions asserted in the interpretation of the language of the Policies, and will consult with Commercial Union in the defense of any notice of any complaint or the defense of the commencement or continuation of any action.

- (F)(2) Grace and Commercial Union will consult to the extent practicable about all decisions to be made, either procedural or substantive, pertaining in any material manner to any Indemnifiable Claim. The Parties will make reasonable efforts to accommodate the litigation suggestions of each other before directing counsel to take any action. The Parties will not dispute any decision that each makes which is lawful and is reasonably made in their discretion.
- (F)(3) The Parties shall keep each other apprised in a timely manner of all significant developments in the defense of Commercial Union in any indemnifiable claim and shall upon reasonable request supply each other with status reports.
- (F) (4) Any settlement or compromise made by Grace on behalf of Commercial Union shall provide that it is not an admission of liability by Commercial Union and is without precedent to Commercial Union. Grace shall provide reasonable and timely disclosure as soon as is practicable to Commercial Union of any proposed settlement or compromise. Commercial Union shall have such time as is practicable to review the proposed settlement or compromise and to present its view to Grace. Any settlement of the

Indemnifiable Claims in the amount of or less than the Settlement Amount may be made by Grace without Commercial Union's consent. Any settlement greater than the Settlement Amount may be made by Grace only with Commercial Union's consent, which shall not be unreasonably withheld. Grace shall use best efforts to keep such settlement or compromise confidential.

- (F) (5) If Grace declines to assume the defense of any Indemnifiable Claims, then Commercial Union shall employ counsel to defend against such Indemnifiable Claims, and Commercial Union shall pay the fees and disbursements of such counsel. Commercial Union shall provide reasonable and timely disclosure as soon as is practicable to Grace of any proposed settlement or compromise and Grace shall have such time as is practicable to review the proposed settlement or compromise and to present its view to Commercial Union. Any settlement of the Indemnifiable Claims may be made by Commercial Union only with Grace's consent, which shall not be unreasonably withheld. Commercial Union shall keep such settlement or compromise confidential.
- (F)(6) In any action or proceeding in which Grace assumes the defense of Commercial Union, Commercial Union will have the

right to participate in such litigation and to retain its own counsel at Commercial Union's own expense.

- (G) If Commercial Union settles any such claims without previously obtaining Grace's consent, which consent shall not be unreasonably withheld, then Grace shall be relieved of any obligation to indemnify Commercial Union for such settlement. Commercial Union shall use best efforts to keep such settlement or compromise confidential.
- (H) Nothing herein shall constitute any waiver of Commercial Union's attorney-client privilege, which privilege shall extend only to such counsel retained to represent Commercial Union and shall not extend to Grace or its counsel unless specifically waived by Commercial Union in writing with reference to a particular attorney-client communication.
- (I) Commercial Union and Grace shall cooperate reasonably with each other to protect their respective interests with respect to claims for which Grace may be liable for indemnification under Section 7.

- (J) If Grace has assumed the defense of any action or proceeding, Commercial Union shall comply in a timely manner with Grace appointed counsel's requests for access to documentation or information requested by Grace appointed counsel for purposes of defense. The Parties shall cooperate with each other to avoid taking any positions in such litigation which are adverse to thier respective general business interests.
- (K) If Grace has failed or declined to assume the defense of any action or proceeding, Grace shall comply in a timely manner with Commercial Union's requests for access to documentation or information requested by Commercial Union for purposes of such defense.
- (L) Commercial Union and Grace shall cooperate reasonably with each other with respect to Indemnifiable Claims. If Grace has assumed the defense of any action or proceeding, Commercial Union shall comply in a timely manner with Grace's appointed counsel's request for access to documentation or information requested by Grace's appointed counsel for purposes of defense. If Grace has declined to assume the defense of any action or proceeding, Grace shall comply in a timely manner with Commercial Union's requests

for access to documentation or information pertaining to such defense.

# VII. CONFIDENTIALITY OF AGREEMENT

- 8. Except as expressly provided in Paragraph 8 (A), (B), (C), (D) and (E), this Agreement and all matters relating to its existence, terms, negotiations and implementation shall be kept strictly confidential. This Agreement and the implementation of its terms are to be disclosed pursuant only to an order of court or by written agreement by all the Parties, except that:
- (A) The Agreement may be disclosed provided that the entity making a disclosure provides at least 30 days written notice prior to disclosure, setting forth the information proposed to be disclosed, the statute, tribunal or other legal authority requiring disclosure and the circumstances pursuant to which disclosure is proposed to be made, along with a request to consent to such disclosure. Further, the entity to which disclosure is made must be advised that the disclosure is subject to this confidentiality provision and agrees to be bound.

- (B) No part of this Agreement, its existence, terms, negotiation, development, implementation or performance shall be admissible or used in any manner in any litigation, claims or other proceeding, provided, however, that such evidence may be offered in any action seeking solely to enforce its terms or in connection with any litigation between Commercial Union and any of its reinsurers.
- (C) To the extent necessary to obtain insurance coverage for a Hatco-Related Environmental Claim from an entity other than Commercial Union, the Agreement may be disclosed, provided that the entity to which disclosure is made is advised that the disclosure is subject to this confidentiality provision and agrees to be bound.
- (D) Any party may make copies of this Agreement available to its accountants, to its counsel, to its lenders, underwriters or reinsurers and to counsel for such lenders, underwriters or reinsurers, provided, that the entity to which disclosure is made is advised that the disclosure is subject to this confidentiality provision and agrees to be bound.

- Agreement to the extent that such disclosure is required to comply with any court, governmental agency, regulatory, arbitration tribunal or accounting/auditing requirement or otherwise required by law applicable to a party, but shall not make available a copy of the Agreement nor shall the reporting Party identify any other Parties to this Agreement. In the event that either a governmental agency or any other entity requests a copy of the Agreement or requests the identity of the other Parties to the Agreement, the Party to whom the request is made shall, prior to disclosure, and as soon as practicable, notify all other Parties to permit a Party(ies) the opportunity to participate in opposing such request.
- 8.1 (A) Except as expressly set forth in Paragraph 8, where one or more Parties object to disclosure of the Agreement to the entity not a Party, the objecting Party shall be responsible for taking all necessary actions to prevent disclosure of this Agreement to the entity not a Party. The costs associated with the prevention of disclosure of this Agreement shall be borne by the objector to the disclosure.

- 8.2 Except as expressly set forth in Paragraph 8, in any action in which a Party has been ordered to produce this Agreement, related communications and drafts, the producing Party shall seek a protective order limiting the use of this Agreement, related communications and drafts, to the particular purpose of the pending litigation in which it is produced and take all steps necessary to bar the disclosure to any entity not a Party.
- 8.3 Except as expressly set forth in Paragraph 8, any Party which has produced Confidential Documents and Information may require the other parties to return all specifically designated Confidential Documents and Information in their possession, as well as in the possession of their counsel, retained experts, and/or consultants, including all copies. In lieu of returning all such Confidential Documents and Information, the Party from whom the Confidential Documents and Information has been requested may certify in writing that all such requested Confidential Documents and Information have been destroyed.

VIII. RESERVATION OF RIGHTS

- 9. Commercial Union reserves all of its rights, without limitation, to deny or dispute coverage to Grace on any and all grounds for any and all claims for coverage which are not released in this Agreement.
- 10. Grace reserves all of its rights, without limitation, to enforce coverage provided by Commercial Union on any and all grounds for any and all claims for coverage which are not released in this Agreement.

#### IX. SETTLEMENT NOT AN ADMISSION

11. Grace acknowledges that Commercial Union disputes coverage under the Policies with respect to Hatco-Related Environmental Claims. Grace recognizes that Commercial Union's payment of the Settlement Amount is to be made in compromise of disputed coverage demands and is not, and cannot be construed as an admission by Commercial Union that any defense, indemnity or other coverage or obligation to pay exists under any of the Polices, or that Commercial Union has any other obligation of any nature whatsoever (other than those arising under this Agreement) with respect to Hatco-Related Environmental Claims. Except as otherwise

stated herein, with respect to rights and obligations regarding all matters outside the scope of this Agreement or asserted by any person not a party to this Agreement, the Parties reserve all positions and all other rights, defenses and privileges concerning such matters.

12. The Parties agree that none of the terms of this Agreement, nor any aspect of its negotiation or performance shall be used in any manner by any person in any future action or proceeding as evidence of the rights, duties or obligations of the Parties under the Policies.

# X. APPLICATION OF AGREEMENT ONLY TO THE PARTIES

13. This Agreement is intended to confer rights and benefits only upon the Parties hereto, and not upon any other party or entity; no party or entity other than the Parties hereto shall have any legal enforceable rights under this Agreement. Any right of action for breach of this Agreement is reserved to the Parties only.

14. This Agreement is the product of informed negotiations and involves compromises of the Parties' previously stated legal positions. Accordingly, this Agreement does not reflect upon the Parties' views as to their rights and obligations with respect to matters or persons outside the scope of this Agreement. No part of this Agreement, it negotiations, development, implementation, or performance may be used in any manner as evidence of the rights, duties, or obligations of Grace or Commercial Union with respect to matters, persons or entities outside the scope of this Agreement.

#### XI. ASSISTANCE AND COOPERATION

- 15. Each of the Parties further agrees that it will execute and deliver to the other Party all instruments and do such further acts and things as the other Party may reasonably request when they are necessary to effectuate the purposes of this Agreement.
- 16. Should any person or entity not a party hereto challenge the validity of this Agreement, or any term thereof, the Parties shall provide to each other such cooperation and assistance as the other Party may reasonably request in order to resist such a challenge.

### XII. EXECUTION

17. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and all of which together shall be deeded one and the same instrument. This Agreement consists of 33 typewritten pages, inclusive of signature pages.

#### XIII. NOTICE

- 18. Any statements, communications, or notices to be provided pursuant to this Agreement shall be sent to the attention of the persons indicated below until such time as notice of any change of person to be notified or change of address is forwarded to the Parties hereto:

#### XIV. PARTIAL INVALIDITY

If any provision of this Agreement, or the application of any term or provision, is held to be illegal, invalid, or unenforceable under present or future laws, such provisions shall be fully severable. In such event: (a) the Agreement shall be enforced as if such illegal, construed and invalid, unenforceable provision has never comprised a part of the Agreement; (b) the remaining provisions of the Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid, or unenforceable provisions, or by its severance from this Agreement, unless the effect of severance of such

provision shall conclusively make continued performance under this Agreement impossible; and (c) in lieu of such illegal, invalid, or unenforceable provision, there shall be added automatically as part of this Agreement a provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible and as may be legal, valid, or enforceable.

### XV. REMEDY FOR BREACH

20. If any Party to this Agreement contends that any other Party has materially breached the terms of the Agreement, such party shall give the other Party to this Agreement notice thereof by certified mail. The Party which contends that the Agreement has been materially breached shall give the other Party ten (10) days from the date of the notice to cure the alleged breach before taking any legal action and the Party to whom written notice of a breach has been given shall not take any legal action under this Agreement within that ten day period. However, the failure of a Party to object to one or more breaches or violations of this Agreement shall not constitute a waiver or limitation upon the right of such Party to object to any other breach or violation of this Agreement.

### XVI. ENTIRE AGREEMENT AND AMENDMENTS TO AGREEMENT

21. This Agreement is the complete and entire agreement of the Parties and may not be modified, changed, contradicted, added to, or altered in any way by any previous or concurrent written or oral agreements or any subsequent oral agreements. No amendments or variations of the terms of this Agreement shall be valid unless made in writing and signed by both Parties.

#### XVII. NO CONSTRUCTION AGAINST EITHER PARTY

22. This Agreement was negotiated at arms-length with all Parties receiving advice from independent legal counsel. The Parties read this entire Agreement and know the contents hereof, that the terms hereof are contractual and not merely recitals, and that they have signed this Agreement of their own free act. It is the intent of the Parties that no part of this Agreement be construed against any of the Parties because of the identity of the drafter or the fact that Commercial Union is an insurance company.

## XVIII. REPRESENTATION AND WARRANTIES

- 23. Grace represents that as of the date of execution of this Agreement, (a) it is not aware of any Hatco-Related Environmental Claim being made against the subject Policies by any entity formerly owned by, related or affiliated with Grace, and on whose behalf Grace does not have the authority to bind to this Agreement, and (b) it is not aware of any Hatco-Related Environmental Claim that is going to be made or that is contemplated being made by any entity formerly owned by, related to, or affiliated with Grace against the subject Policies after execution of this Agreement.
- 24. No Party shall assign transfer, convey or sell, or purport to assign, transfer, convey or sell to any entity or person, any cause of action, chose in action, or part thereof, arising out of or connected with the matters released herein, without first obtaining the written consent of the other Parties; provided, however, that this sentence shall not prohibit any assignment by a Party by merger, consolidation, operation of law or to a Party who succeeds to all or substantially all of such Party's assets. Subject to the foregoing, this Agreement shall extend to and be binding upon the successors and assigns of the Parties hereto.

- 25. The Parties represent, warrant and agree that they (a) are the sole and lawful owners of all right, title, and interest in and to every claim or matter released herein; (b) have not assigned or transferred or purported to or attempted to assign or transfer to any person or entity any claim or other matter released herein; and (c) have taken all necessary corporate and internal legal actions to duly approve the making and performance of this Agreement and that no further corporate or other internal approval is necessary.
